Procedural Notes

- Approval to do a Master's thesis can be granted upon the successful completion of 79 credits. Please be aware of the fact that, in accordance with Article 11 Subparagraph 3 of the General examination regulations (Prüfungsverfahrensordnung PVO), the first reviewer must be a university professor or instructor lecturer holding a "Privatdozent" degree. The second reviewer must be an authorized examiner in accordance with Article 4, Subparagraph 2 of the PVO.
- Submit the application form in person during the opening hours of the examination office. The first page must be completely filled in and signed by both reviewers and the coordination office on behalf of the programme committee. **Note that without the topic having been confirmed as valid by the programme commission, you cannot obtain the signature.**
- The signature of the first reviewer is valid for three weeks, after which time a registration with this application form is no longer possible.
- The processing time for a Master's Thesis is, according to the Special Examination Regulation (Fachprüfungsordnung, FPO), 6 months from the application form being accepted by the examination office of the Faculty of Agricultural and Nutritional Sciences.
- Upon completion, submit the Master's thesis (2 printed copies and 1 CD) to the examination office of the Faculty of Agricultural and Nutritional Sciences. For detailed information on the thesis registration process consult the guidelines for the Medical Life Sciences Master's thesis application.
