**of the Faculty of Agricultural and Nutritional Sciences at Christian-Albrechts-Universität zu Kiel (Kiel University) for students of 'Dairy Science' leading to a Master of Science degree (M.Sc.) – 2021 of . Februar 2021**

#### **§ 14**

#### **Transitional Provisions**

- (1) Students which are enrolled into Dairy Science leading to a Master of Science degree at the time this examination regulations entry into force can complete their study degree under the previous examination regulations (§15, 2) until March 31, 2024. If the structure of modules has changed, they must be passed in the new version. If compulsory modules of the previous examination regulations (§15, 2) are not provided any more, the examination board will appoint substitute modules.
- (2) Students studying under the previous examination regulations (§15, 2) can change into the new examination regulations upon request. Module examinations which have been completed and passed in full by the date these Examination Regulations enter into force will remain valid.
- (3) If a student has completed and passed independent parts of a module examination, these partial achievements will be recognized accordingly. The Examination Board determines which additional examinations are necessary to complete the module, under consideration of the module's learning targets and the purpose of the examination.
- (4) Examinations failed before these Rules entered into force will be set off against the number of attempts allowed under the new Examination Regulations, provided the structure of the new module examinations permits recognition.
- (5) The Examination Board decides regarding special cases of hardship for which the student is not responsible.
